Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Sunday 17 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry, with sunny spells initially before clouding over.

Today:
A bright start, with sunny spells for many during the morning, before cloud moves in from the northwest. Largely dry throughout, with only a slight chance of showers in the north. Light winds. Maximum temperature 7 deg C (45 deg F).

Tonight:
Staying dry and winds remaining light. The cloud will break up during the evening, leaving clear spells overnight, then returning before dawn. Minimum temperature 2 deg C (36 deg F).

Monday:
Mostly dry and cloudy through the day, with slight chance of showers in the north again, before outbreaks of heavy rain move in during the afternoon, with winds strengthening. Maximum temperature 8 deg C (46 deg F).

Outlook for Tuesday to Thursday:
Outbreaks of rain on Tuesday, with strong winds. Heavy, more persistent on Wednesday, but winds will ease. Turning colder and drier on Thursday, with sunny spells and a few showers.
